Elementary Summer School 2017

Wisconsin Rapids School District
wrps.org
Dr. Colleen Dickmann, Superintendent of Schools
Tim Bruns, Principal

MISSION STATEMENT

Working together with home and community, we are dedicated to providing the best education for every student, enabling each to be a thoughtful, responsible contributor to a changing world.

GOVERNING VALUES

We Believe... each student is the first consideration of the educational process.

We Believe... all students can learn.

We Believe... in a safe, caring and respectful learning environment.

We Believe... all students should become effective citizens of the community, state, nation, and the world.

We Believe... meaningful home, school and community involvement is vital to continuous improvement.

NON-DISCRIMINATION POLICY

It is the policy of the Wisconsin Rapids Public Schools, pursuant to s.118.13, Wisconsin Statutes and PL-94-142, that no person, on the basis of sex, race, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation or physical, mental, emotional or learning disability, may be denied the benefits of, or be discriminated against in any curricular, extra-curricular, pupil services, recreational or other program.

This policy also prohibits discrimination under federal statutes, including Title VI of the Civil Rights Act of 1964 (race and national origin), Title IX of the Education Amendments of 1972 (sex), and Section 504 of the Rehabilitation Act of 1973 (handicap).

HOW DO I SCHEDULE MY CHILD FOR SUMMER SCHOOL?

1) Complete the card with the student's information, front and back, sign both sides of the card.
2) An "In case of emergency person" should be listed on the front of the card.
3) Some classes have a set time, some do not. We base the scheduling on what the parents choose and that creates the need for the classes. It's best to write down the classes you want most as choice one, then choice two and so on. **Alternatives must be written down or they will be chosen for the student. Choose the classes for the grade level they are in now, they do not advance in the summer school program.**
4) **Swimming and Tennis registration are NOT at the Elementary offices, you must register at LHS. Do not write these courses on the Elementary Summer School registration card.**
5) If the student is taking one or two sessions you should choose 3 different courses for each session. Unless otherwise noted in the book, all of the choices should be different including the alternative.

(Back of card, example of registration)

Session I Course #	**Course Title**
Choice 1	P5 Fun with Tux Paint
Choice 2	P1 Visual Arts
*Alternative	P4 Reading Artist

If they are taking both sessions:

Session II Course #	**Course Title**
Choice 1	P18 Cool Cook
Choice 2	P12 Action Math
*Alternative	P37 Game Play

6) Please come to one of the registration nights. If you cannot make it to the night registrations, please give the completed registration card to your school's secretary, they will send it to Woodside School by March 10, 2017.
7) If you do not turn your child's card in by March 10, you can call Woodside School and be placed on a waiting list. Late registration will require appointments by calling 715-424-6793 to schedule a time with Ms. Anderson.
8) Busing: If you need busing, students must be registered for both choices from 8:30 - 11:55 a.m. You can register a student for one class, but parents will need to provide transportation.
9) If you need a particular bus route please write that information on the back of the card.
10) Students' schedules are sent to their home school by the first week in June. Busing will be mailed to you on a post card. Please call WRPS Central Office for any busing questions at, 715-424-6700.

2017 SUMMER SCHOOL PROGRAM REGISTRATION INFORMATION

It's time to register for the 2017 Summer School Program. As you review the course booklet, you will notice that we have added some classes as well as enhanced some courses to better provide for more "active" learning experiences. These changes and additions will offer some very exciting activities for our students.

Primary Classes **(P) K - 2nd grade will be held at Woodside Elementary School.** While the Intermediate Classes **(I) 3 - 5th grade will be held at Washington Elementary School** (unless otherwise noted).

Session I will begin on Monday, June 12, and will end on Thursday, June 30. Session II will begin on July 5 and will end on July 21. (No classes will be held on July 3 or July 4). Classes during each session will be held from 8:30 – 10:15 and 10:15 – 11:55 a.m. Each student has the opportunity to participate in four exciting courses during the summer program.

Students are requested **to register for three classes they would like to participate in for each session.** Every attempt will be made to ensure that students will receive two of their three courses. **The district reserves the right to cancel any classes that do not have adequate number of students registered for the course, or for which a certified teacher can not be hired.**

Students at Rudolph and Vesper Elementary Schools may register through their school offices, or they may register their children at any of the following schools listed below.

Students at Howe, Grant, Grove, Mead, Washington, and Woodside may register according to the following schedule.

Mead – Tuesday, February 28
Grant/Grove – Thursday, March 2
Woodside – Friday, March 10
Howe and Washington – Tuesday, March 7

Registration will be held from 3:45 – 5:45 p.m. with the exception of Woodside School, 3:45-6:15 p.m. to allow for Friday evening registration. You may enroll your child at any of the schools on the date and time that is most convenient. There will be no special registration for non-public school students. Non-public school students may register at any of the above locations. **Please Note: It is very important that you attempt to register your child during the above dates and times. We will not be able to guarantee classes and sessions if you register after March 10, 2017.**

The exact times for each of the courses will not be set until after all of the registrations have been completed.

Completed registration cards will be collected, busing information will be recorded, and slip confirming the courses you requested will be given to you. Parents who are unable to register their children in person may send a completed registration card with their child to your school office prior to March 10. Anyone unable to register at the above dates and times may contact Machelle Anderson, Summer School Secretary (424-6793). However, as mentioned above, we will not be able to guarantee courses or sessions to late registrants. Your child's schedule will be sent to your child's school before the end of the school year.

Please review the Summer School Registration Booklet. If you have any questions, please contact your building principal, building secretary, or Tim Bruns, Summer School Principal at 424-6766. For additional information regarding the registration process, contact Machelle Anderson, at 424-6793 ext 2800.

GENERAL INFORMATION

MISSION STATEMENT

It is the policy of the Wisconsin Rapids Public Schools to provide appropriate instruction during the summer at both the elementary and secondary level. Summer School should be an integral part of the total school program offering a balance of courses which may be academic, enriching, remedial and applicable to the special needs of the pupils residing in the Wisconsin Rapids attendance area. Registration shall be open to all pupils. However, entrance requirements (such as grade levels) may be imposed for some classes and attendance in others may be required for some pupils. The Summer School Program will be reviewed annually and classes added or dropped depending on the needs of the pupils residing in the District.

REGISTRATION

All students who enroll in the WRPS Summer School Program must have either attended the public or parochial schools as a registered 5K - 5th grade, **(No 4K)** lived during the 2016-2017 school year within our district boundaries, or currently reside within the district boundaries and/or participate in a home schooling arrangement. **Students who register for the 2017 Summer School Program must register for courses according to the grade level they attended during the 2016-2017 school year.**

(Please refer to the registration schedule printed on the first page for dates, times, and sites for registration.)

FEES

There is no fee, or charge, for any WRPS Summer School class. However, it is very important that if you register your child for classes, they attend. Staff is hired, and supplies purchased, to meet the number of students who are registered. **If your child fails to attend, the district will not receive financial support from the state for your child, while being forced to spend funds unnecessarily on staff and supplies for a child that does not attend.**

WHERE WILL CLASSES BE HELD?

Elementary Summer School classes will be held at Woodside Elementary School (5K - 2nd) and Washington Elementary (3rd - 5th), **unless otherwise noted in the course description**. Summer office hours will be from 8:00 -12:15. There will be no supervision of students before 8:15 a.m. Due to busing arrangements, students at Washington Elementary will be dismissed at approximately 11:45 a.m.

WHEN ARE THE SESSIONS SCHEDULED?

Session I Monday, June 12 - Friday, June 30 (No school July 3 or 4) **Session II** Wednesday, July 5 - Friday, July 21

CLASS TIMES

Courses at Woodside Elementary (5K - 2nd grades) will run from 8:30 - 10:00 a.m. and from 10:00 - 11:55 a.m. Elementary courses at Washington Elementary (3rd - 5th) will run from 8:30 - 10:00 a.m. and from 10:00 - 11:45 a.m., unless noted otherwise.

ATTENDANCE

Except for emergencies, students are expected to attend all summer school classes. This program is funded through a formula that is based upon student attendance. Whenever a student does not attend the classes they are scheduled for, the funding is reduced. Therefore, we ask for your cooperation in seeing that your child attends each day. We ask that parents contact the school office any time their child will not be attending the class. In the event of emergencies, parents should contact the office of the school in which the student's summer school classes are scheduled. Students who fail to meet attendance expectations will be dropped from the course.

DRESS AND CONDUCT

Students are expected to follow the same standards of dress and conduct as those which are in effect during the school year.

BUSING **CONTACT = WRPS Central Office 715-424-6700**

Bus transportation will be provided for elementary students who reside outside the school sites selected for summer school. Bus transportation will also be provided for these students if they ride the bus during the regular school year. Please check "yes" on the registration card (back cover) if bus transportation is desired. If transportation is required from a licensed child care center or a babysitter, please note such information on the registration card. **If your child's "drop-off" address will change frequently (more than two locations or on "alternating weeks") you are asked to complete a transportation schedule sheet at the time of registration.** This schedule sheet will assist us in making sure that your child gets to the correct location after school. Also, if your current address changes at any time after registration, please contact us.

If you are altering your student's regular bus schedule due to an appointment, or other reason, the school office (that your child is attending) must be contacted prior to 10:00 a.m. on the morning of the change. This will permit us to inform your child, your child's teacher, and the bus company.

NON-RESIDENT STUDENTS

Students who do not reside in the Wisconsin Rapids School District are welcome to attend Summer School. The tuition will be $50 for one (1) class for a three (3) week session, or $100 for two (2) classes for a three (3) week session. **Transportation will not be provided to students who are not residents of the Wisconsin Rapids Public School District.**

CANCELLATION

Summer School courses will not be held if enrollments are insufficient for the operation of a given program or if qualified staff can not be hired. If your student's class is dropped, your child will be enrolled in the course they have selected as their third choice.

QUESTIONS

Questions: please contact Summer School Principal, Mr. Tim Bruns at 715-424-6766 or Ms. Anderson, Summer School Secretary, at 715-424-6793 ext 2800.

PRIMARY ENRICHMENT COURSES (Grades 1-2 & K where Indicated)

ART

P-1 VISUAL ARTS (K-2) **Both Sessions: 8:30-10:00 or 10:00-11:55**

A course for students interested in art. The course will encompass a sequence of activities involving creating, drawing, sketching, and painting to create and design original masterpieces. Students will use a variety of media.

P-4 THE READING ARTIST (K-2) **Both Sessions: 8:30-10:00 or 10:00-11:55**

Each day children will be captivated by beautifully illustrated and written literature. An array of interesting art projects will be created to enhance the enjoyment of the books. This class is designed to encourage a love of reading in our youngest readers.

COMPUTER STUDIES

P-5 FUN WITH TUXPAINT: Drawing with TuxPaint! (K-2) **Both Sessions: 8:30-10:00 or 10:00-11:55**

Students will learn to draw a fun picture and write simple sentences describing it each day. Students will print their pictures and make a book. They will learn how to use capital letters and punctuation besides improving their drawing skills.

MUSIC

P-9 SING, DANCE & PLAY **SESSION I ONLY: 8:30-10:00 or 10:00-11:55**

Students will explore a variety of musical concepts, including: folk dance, music "play" songs, lots of singing and playing instrumental accompaniments to songs.

MATHEMATICS

P-11 IT PUZZLES ME (1-2) **Both Sessions: 8:30-10:00 or 10:00-11:55**

Have Fun! We will use a wide assortment of puzzles: Word, Math, Hidden Pictures, Treasure Hunts with clues, 3-D jigsaw puzzles and many more. Learn teamwork, creative thinking, following steps and procedures all while having fun working with puzzles.

P-12 ACTION MATH! **Both Sessions: 8:30-10:00 or 10:00-11:55**

This course is intended to expose students to a wide variety of number situations. Activities will include the use of **games, investigations,** and direct **instruction of basic math concepts** (number order, number patterns, addition, subtraction, and more). Students learn best by doing and this class will provide the activities that will help them to become an **active math user**!

Students need to register for the grade level completed during the 2016-2017 school year.

PRIMARY ENRICHMENT COURSES (Grades 1-2 & K where Indicated)

READING & CREATIVE EDUCATION

P-4 THE READING ARTIST (K-2) **Both Sessions: 8:30-10:00 or 10:00-11:55**

Each day children will be captivated by beautifully illustrated and written literature. An array of interesting art projects will be created to enhance the enjoyment of the books.

P-16 FIRST GRADE READING INTERVENTION (1) **Both Sessions: ALL MORNING CLASS 8:30-11:55**

Participation in this class is limited and is by teacher invitation only, please bring the invitation to registration.

This class will offer small group reading intervention for first graders. It will include reviewing reading strategies, shared book reading, self-selected reading, writing, and "making words." **Students taking this class will enroll in one class for the three-week period. Students will be enrolled in the class from 8:30 - 11:55.**

P-17 TASTY TRAVELS (2) **Both Sessions: 8:30-10:00 or 10:00-11:55**

Discover the wonders of the countries of the world. You'll use your passport to enter each country, read about their cultures, learn interesting facts, play games, make artwork and crafts, and cook foods from each country. You'll discover the history of their flags and each country's place in the world. You'll even make a recipe book to take home, so you'll be able to cook for your family. If you like an adventure, this delicious voyage is for you! **Please be aware that if your student has food allergies or a food intolerance, these classes do use a variety of foods including dairy products, fruit and vegetables. Please take this into consideration if your child is wanting to take this class. Please make the school aware if they do have food allergies or a food intolerance.**

P-18 THE "COOL COOK" (K-1) **Both Sessions: 8:30-10:00 or 10:00-11:55**

This class is offered to our younger students who are interested in learning to create some delicious snacks, while learning to follow recipes. The snacks will require "cool" cooking techniques which are appropriate for our younger students. **Please be aware that if your student has food allergies or a food intolerance, these classes do use a variety of foods including dairy products, fruit and vegetables. Please take this into consideration if your child is wanting to take this class. Please make the school aware if they do have food allergies or a food intolerance.**

P-24 FIRST "FUNTASTICS" (K) **Both Sessions: 8:30-10:00 or 10:00-11:55 (MUST ATTEND BOTH SESSIONS)**

This six-week long class is intended **only for Kindergarten students entering first grade in 2016-2017.** Students who participate in this class will experience a wide variety of activities at their level, including: reading, writing, creating books, science, and social studies. Students who participate in this program will remain in this class for the full six-weeks of the summer school program. Students may participate in one other class during both the first and second sessions of summer school.

PHYSICAL EDUCATION

P-37 GAME PLAY (K-2) **Both Sessions: 8:30-10:00 or 10:00-11:55**

Students will have the opportunity to play a variety of indoor and outdoor games. The students will improve their fitness level, gross motor skills, problem solving, mathematics, and language arts. The games will focus on teamwork, cooperation, sportsmanship and FUN!

Students need to register for the grade level completed during the 2016-2017 school year.

PRIMARY ENRICHMENT COURSES (Grades 1-2 & K where Indicated)

SCIENCE

P-28 DOWN IN THE DEEP (K-2) **Both Sessions: 8:30-10:00 or 10:00-11:55**

Learn about ocean life: whales, dolphins, starfish, sharks and many more. We will read and make books, learn songs, paint, and do different art projects to make our classroom look like the ocean.

P-29 DINOSAUR PARK (K-2) **Both Sessions: 10:00-11:55**

This is a study of the land of giants and monsters during an era before we even measured time. Join this group and become acquainted with the Stegosaurus, the Brontosaurus, the Tyrannosaurus, and many more.

P-30 PICTURE IT! - SCIENCE **Both Sessions: 8:30-10:00 or 10:00-11:55**

Think like a reader, explore like a scientist! In this class, we will use children's picture books as a spark for practicing reading strategies and exploring topics in science.

P-31 THOSE AMAZING ANIMALS! (K-2) **Both Sessions: 8:30-10:00 or 10:00-11:55**

Animals come in all shapes and sizes from the largest whale to the smallest insect. Each one has an amazing story about how they live and interact with people. Students in this course will investigate the unique and exciting lives of animals from all parts of the world. Students will read, write, draw, and share all they learn about our animal friends.

P-32 WEIRD SCIENCE (K-2) **Both Sessions: 8:30-10:00 or 10:00-11:55**

This course will focus on a wide variety of hands-on activities. Students will be actively involved in problem solving and discovering the science process.

P-34 OUTER SPACE ADVENTURES (K-2) **Both Sessions: 8:30-10:00**

Would you like to travel to another planet? Come and explore space as we travel to all planets in the solar system, invent new constellations, and tell stories of our travels. We will be writing stories, making craft projects, reading books, and doing finger plays as we explore the unknown.

INTERMEDIATE ENRICHMENT COURSES (Grades 3-5)

ART

I-1 THE "CRAFTY" ARTIST **Both Sessions: 8:30-10:00**

Interested in a course offering artistic adventures? This course will encompass activities involving drawing, sketching, painting, and creating. Students will also learn to enjoy the "art" of crafting. Make exciting items for your bedroom and home using some unusual art materials.

Students need to register for the grade level completed during the 2016-2017 school year.

INTERMEDIATE ENRICHMENT COURSES (Grades 3-5)

ART (Continued)

I-24 SEW WHAT'S NEW! (5-7 Grade Students) SESSION I ONLY: 8:30-11:30 at Lincoln High School

Learn something new this summer! All 5th - 7th grade boys and girls are invited to have fun exploring their creative skills by sewing several projects. Learn to operate a sewing machine, sew a decorative pillow, pull-on shorts, and locker caddy and then make your very own sling bag. Other projects will be available for an additional cost. Don't miss the fun! This class will be held **Monday-Friday at Lincoln High School from June 12 - June 30.** Required materials include 2 spools of thread; one white and one black. **(Maximum Class Size: 15)**

I-43 QUILTING (5-7 ONLY) Session II ONLY: 8:30-11:30 at Lincoln High School

Quilting is more than a bed cover. Basic features for making a quilted project include the use of batting, fabric, cutting tools, seams, and binding. Once the basics are covered, application of these techniques will be used to create a variety of projects. Some of the projects include a quilted tote bag, mug rug, pillow top, wall hanging, and a quilted stuffed animal. Some techniques included in making these projects are half-square triangles, flying geese, 4 and 9 patch, and the log cabin. **(Monday - Friday at Lincoln High School from July 5 - July 21) (Maximum Class Size: 15) Cannot Repeat Course.**

I-44 GREAT AMERICAN SCULPT-A-THON Both Sessions: 10:00-11:45

Students will be learning about the three dimensional art of sculpting. While in class students will be exploring different media including but not limited to paper maché, ceramics, wire and junk. If weather permits we will create sculptures outdoors using objects found in nature. This hands-on course will build fine motor skills, include team building activities, and promote social interaction while discovering the wonders of art. If you like art, you won't want to miss this opportunity.

COMPUTER STUDIES

I-4 LEGOMANIA Both Sessions: 8:30-10:00

Students participating in this course will utilize their creative thinking and problem solving skills to create a variety of STEM projects using legos and other materials. Students will design a LEGO Rocket Car, create a Rube Goldberg (Chain Reaction) machine, learn coding to create computer games, and participate in a variety of other creative hands-on activities.

I-9 STOP MOTION ADVENTURES Both Sessions: 8:30-10:00 or 10:00-11:45

Are you creative? Do you like to take pictures and create animations from them? In this class you will create short videos from pictures taken by you!

I-41 ROBOTICS Both Sessions: 10:00-11:45

Students will utilize teamwork, creative thinking, and problem solving to design and program wireless LEGO machines using the latest in LEGO technology - NXT Mindstorms 2.0. They will also experience different aspects of engineering design and enhance their understanding of coding. This class is perfect for students who enjoy hands-on learning and problem solving!

Students need to register for the grade level completed during the 2016-2017 school year.

INTERMEDIATE ENRICHMENT COURSES (Grades 3-5)

FOREIGN CULTURE

I-7 BEGINNING SPANISH (Grades 4-5 Only) **SESSION I ONLY: 8:30-10:00 or 10:00-11:45**

"Bienvenidos actors y actrices" (Welcome actors and actresses!) As we prepare a modern version of the play *"Goldilock y los Tres Osos,"* we will learn new vocabulary to describe rooms and items in the house. Discover differences and similarities between house in Spanish speaking countries and the United States. Work in small groups to create and decorate scenery. Modify the lines of the play to use Spanish to describe the unique hours your group creates while you re-tell the story of Goldilocks. Create invitations and make "limondata" for the audience who will attend our live performance on the last day of class. **(Maximum Class Size: 15)**

MATHEMATICS

I-12 EVERYDAY MATH **Both Sessions: 8:30-10:00 or 10:00-11:45**

Students will learn math using a verity of "hands on" activities and computer technology to maintain, catch-up, or enhance their skill level in Mathematics. Students will experience the "real life" math skills involved in their daily lives. Going to the store, going out with friends, ordering "fast food", or purchasing "sale" items are all part of this course.

I-15 PERPLEXORS **SESSION I ONLY: 8:30-10:00**

Do you like the challenge of solving puzzles, working with numbers, creating and designing, and using unusual objects to solve problems? You will love this class! Study entertaining problems that require deductive reasoning, logical elimination and math skills. Using clues, cross off words in a list of all possible answers to arrive at a solution. Parents: This class will help to get them ready for the new state assessments.

READING & CREATIVE EDUCATION

I-21 READERS THEATRE **Both Sessions: 8:30-10:00**

This class is intended to assist students in the development of "fluency" as they read. Students will assume the role of specific characters as they read selected plays. As the plays are read and shared with their classmates, students will be practicing their ability to read fluently while enjoying some great plays and some humorous moments together. This class is not intended to be a "performance" class. No plays will be put on for other classes or parents.

SOCIAL STUDIES

I-27 AROUND THE WORLD IN FIFTEEN DAYS **SESSION II ONLY: 8:30-10:00**

Pack your bags! Get your passports ready. Travel from Africa to Australia, the North Pole to Antarctica, from Europe to South America. Taste the native foods, learn their games, practice a bit of the language, listen to the folk tales and music from countries all over the world. Experience the culture and learn about the wildlife as we travel to a different country every day.

Students need to register for the grade level completed during the 2016-2017 school year.

INTERMEDIATE ENRICHMENT COURSES (Grades 3-5)

SCIENCE

I-23 FLIGHT! UP-TIGHT POWERED AIRPLANES **SESSION I ONLY: 10:00-11:45**

Higher, faster, farther...rubber-band powered gliders will get you both up-tight and excited. We may have flown to other planets and are now stretching the boundaries of our universe, but we still have a long way to go before we have mastered the science of "Flight". **Students will build rubber-band powered gliders and compete against each other's designs. We will take a look at flying machines of the past and design some for our future! This is a "hands-on" course that will make your dreams soar!**

I-6 POWER OF THE SUN: FUN WITH SOLAR ENERGY **SESSION II ONLY: 10:00-11:45**

This class will teach the students the science behind "green engineering" through lessons that reinforce the science concepts of solar energy and energy transfer. As students engage in Engineering Design Process to design insulation for a solar oven they will brainstorm, design, create, test and improve their own solar oven.

I-8 THERE SHE BLOWS! PUTTING WIND POWER TO WORK **SESSION I ONLY: 10:00-11:45**

This class will teach students the science behind engineering various types of technologies. Children are bombarded with hundreds of types of technology. If asked, children would quickly name off all of the electronic technologies they use in a day. However, this course will demonstrate to them that not all technology is "electronic". In this class, students will investigate the many other types of technologies and learn the engineering that goes on in their development. They will specifically investigate wind energy, and will brainstorm, design, create, test and improve their own windmill.

I-30 ROCKETRY **Both Sessions: 8:30-10:00 or 10:00-11:45**

Students will begin the class by designing and building their own miniature *straw rockets* and learn about what makes rockets fly!! Just like early rocket pioneer Robert Goddard, they can conduct scientific experiments by varying the trajectory angle and launch energy. They will progress to the creation of bottle rockets and the development of a rocket of their own design. The culminating project will include the construction of a model rocket and launch. **Students may be required to provide a model rocket or may be charged an additional fee to purchase materials used in this portion of the class.** This is a "hands-on" class that offers you an opportunity to design, build, and soar into the clouds!

I-35 MINI ADVENTURES (A Bunch of Neat Stuff) **Both Sessions: 8:30-10:00 or 10:00-11:45**

In this course, students will be exploring for hidden treasures in the community. Mini courses taught by community volunteers will be the basis for this class. Field trips, speakers, hands-on experiences, and exploration are the things to expect in this class.

Students need to register for the grade level completed during the 2016-2017 school year.

INTERMEDIATE ENRICHMENT COURSES (Grades 3-5)

PHYSICAL EDUCATION / LEISURE

I-18 GEOCACHE - HIDDEN TREASURES! **SESSION I ONLY: 8:30-10:00**

In search of that great hidden treasure? Geocaching is a fast developing sport using the GPS device (Global Positioning System) to help you locate yourself or most anything else on earth. Fascinated with the commercials on TV ("Tom Tom") demonstrating how to find your way from home to your next vacation site? Geocaching will teach you how to use the modern day compass (GPS) and to enjoy yourself while you are learning. Find hidden caches and bury some of your own! This is a "hands-on" class that takes you out into nature. Be an adventurer!

I-37 FUN AND GAMES **Both Sessions: 8:30-10:00 or 10:00-11:45**

You will participate in both indoor and outdoor activities. These activities will involve a variety of intramural games with emphasis on "FUN." Students will also have the opportunity to enhance their motor skills, social skills, health, and physical fitness, along with improving their throwing and shooting skills.

I-39 BULLSEYE ARCHERY **Both Sessions: 8:30-10:00 or 10:00-11:45**

Students will be taught the lifelong sport of archery using the NASP shooting style (National Archery in the Schools Program). They will be learning a great sport which puts athletes and non-athletes on a level playing field. Both boys and girls are welcome to join! After the course students will know the 11 steps of archery success and will have a foundation to continue to participate in archery as they become adults if they choose! Bows, arrows, targets and all other equipment will be provided for the students. The instructor is certified NASP instructor. **Course is at River Cities High School, students ride the shuttle bus to and from Washington.**

I-40 Lil' Spikers Volleyball **Session 1 only: 8:30-10:00 or 10:00-11:30**

Do you want to learn all about volleyball? Bring your tennis shoes and a positive attitude! Learn how to pass, set, spike and serve a volleyball. Gain confidence as an athlete and work together with teammates to become stronger and faster. Be ready for fun and a competitive atmosphere. Suggested attire: tennis shoes, athletic shorts/pants, athletic/t-shirt. Also suggested: water bottle and light snack if needed/wanted. **Course is at Lincoln High School, student ride the shuttle bus to and from Washington.**

Students need to register for the grade level completed during the 2016-2017 school year.

SUMMER SWIMMING PROGRAM - LINCOLN HIGH SCHOOL

REGISTRATION: **Saturday, May 6, 2017 - For All Sessions** **TIME:** 8:00 a.m. - 11:00 a.m.
LOCATION: Lincoln High School PAC (Use front doors)
COST: Swim Lessons: No cost to WRPS students / Non-resident fee: $40.00/per class
Advanced Stroke Development (JHS/SH): No cost to WRPS students / Non-resident fee: $40.00
AGE REQUIREMENT: **Minimum age to enroll is 5 years old or enrolled in kindergarten**

Registration questions call 715-424-6750

The summer swimming program will operate three 3-week sessions. Each session will meet Monday through Thursday at 9:00 a.m., 10:00 a.m., 11:00 a.m., 12:00 p.m., 1:00 p.m., 2:00 p.m., 3:00 p.m.
The sessions are as follows:
Session I: June 5 - June 22 (Monday - Thursday)
Session II: June 26 - July 13 (No class July 3 and July 4)
Session III: July 17 - August 3

Levels of Instruction offered are: ***(See chart on page 12 if you have questions about your child's level.)***

A.* **Pre-Beginners** (Level I)
B. **Beginners** (Level II)
C. **Advanced Beginners** (Level III)
D. **Intermediates** (Level IV)
E. **Swimmer** (Level V) (Only offered at 9:00 a.m., 11:00 a.m., and 1:00 p.m.)
F. **Advanced Swimmer** (Level VI) (Offered only at 2:00 p.m.)

* **Note:** All 5-year old children who are taking their first set of lessons at Lincoln High School and any 6-year old with a fear of water, should enroll in Pre-Beginners. Adjustments will be made if necessary during the first two days of class. Student must be Kindergarten age.

Evening classes will be offered during Session I if we get enough students in each level:
5:30 p.m. – Pre-Beginner, Beginner, Advanced Beginner 6:30 p.m. – Beginner, Advanced Beginner, Intermediate

The following swimming classes will be offered at the times and days indicated:

G. **Advanced Stroke Development** (Junior and Senior High)
This class is designed to offer techniques and training necessary for competitive swimming teams. Participants must be able to swim 50 meters unassisted. The focus is on teaching and refining the fundamental skills of strokes, starts and turns. You will also learn and incorporate many types of training methods into your swimming.

Time: 7:00 a.m. - 9:00 a.m.
Days: Monday through Thursday
Date: June 5 - July 21 (No class July 3 and July 4)

H. ***SPRING BOARD DIVING CLASS*** **- Summer Swim Session 1, 5:30-6:30 P.M. ONLY**
This class is offered to anyone who has completed the **Swimmer level V class in WRPS Summer Swim Program** or to students that are in **junior or senior high school** and are able to swim 25 meters unassisted. This class is designed to offer the basics of spring board diving and serve as an introduction for anyone interested in competitive diving. Students will learn proper approaches and will be progressed through forward, backward, reversal and inward dives based on the student's personal progression. This class is limited to a maximum of 12 students. Class will be taught by Nathalie Jones, Women's Head Swim Coach and District Aquatics Director.

IF UNABLE TO ATTEND THE MAY 6TH REGISTRATION. Phone-in registrations will not be accepted until May 20, 2017. Call 715-424-6750. Late registrations will be accepted on a space available basis. Please have several time choices in mind when registering in case your first choice is not available.

PLEASE NOTE:
- Summer swimming lessons will be offered only if enrollments are sufficient for the operation of a given program.
- A class must have a minimum of six people.
- No bus transportation will be provided for students enrolled in the swimming program.
- Students are expected to attend all classes. Emergency situations and/or illness are the exceptions. However, those absences must be verified in writing by parents or a doctor, if requested.
- Students will not be permitted to remain at school during unscheduled times.

You Must Register at LHS/PAC for Swimming - Saturday, May 6th

Students need to register for the grade level completed during the 2016-2017 school year.

SUMMER TENNIS PROGRAM - LINCOLN HIGH SCHOOL

Registration for Tennis is at LHS, or email to address listed below. Any questions, contact Katlin.Maloney@wrps.net

The Tennis FUN-damentals class is available to any student who is entering grades 3rd through 10th in the fall of 2017. The students will have fun learning the basic skills of tennis. The students will learn the various grips, "ready" position, forehand and backhand groundstrokes, volley, and serve. In addition, students will work on their eye-hand coordination and footwork. Scorekeeping and rules will be introduced. Each lesson will include a warm-up activity, a skill introduction and development drill, and a concluding group game. Students must be dressed for activity, and provide their own tennis rackets and tennis shoes. Registration will be accepted on a space available basis. The tennis balls are provided.

DATE: June 5 - 9 *(One week session only)*

TIME:	8:00 a.m. - 9:00 a.m.	Going into Grades 3-5	Beginner
	9:15 a.m. - 10:15 a.m.	Going into Grades 6-10	Beginner
	10:30 a.m. - 11:30 a.m.	Going into Grades 7-10	Adv. Beginner/Intermediate

PLACE: Lincoln High School Tennis Courts - *In case of rain, the class will be cancelled.*
REGISTRATION for tennis will take place on **Saturday, May 6, 2017**, from 8:00 a.m. - 11:00 a.m., in the Lincoln High School PAC (use front doors) or you may contact Katlin.Maloney@wrps.net to register after **Monday, May 8, 2017.**

AMERICAN RED CROSS SWIMMING LEVELS

LEVEL I

Introduction to Water Skills

(Helps participants feel comfortable in the water)

Enter and exit water using ladder, steps or side
Blow bubbles through mouth and nose
Bobbing
Open eyes under water and retrieve submerged objects
Front and back glides and floats
Recover to vertical position
Roll from front to back and back to front
Tread water using arm and hand actions
Alternating and simultaneous leg actions on front and back
Alternating and simultaneous arm actions on front and back
Combined arm and leg actions on front and back

LEVEL II

Fundamental Aquatic Skills

(Gives participants success with fundamental skills)

Enter and exit water by stepping or jumping from the side
Fully submerge and hold breath
Bobbing
Open eyes under water and retrieve submerged objects
Front, jellyfish and tuck floats
Front and back glides and floats
Recover to vertical position
Roll from front to back and back to front
Change direction of travel while swimming on front or back
Tread water using arm and leg actions
Combined arm and leg actions on front and back
Finning arm action

LEVEL III

Stroke Development

(Builds on the skills in Level 2 through additional guided practice in deeper water)

Enter water by jumping from the side
Headfirst entries from the side in sitting and kneeling positions
Bobbing while moving toward safety
Rotary breathing
Survival float
Back float
Change from vertical to horizontal position on front and back
Tread water
Flutter, scissor, dolphin and breaststroke kicks on front
Front crawl and elementary backstroke

LEVEL IV

Stroke Improvement

(Develops confidence in the skills learned and improves other aquatic skills)

Headfirst entries from the side in compact and stride positions
Swim under water
Feetfirst surface dive
Survival swimming
Front crawl and backstroke open turns
Tread water using 2 different kicks
Front and back crawl, elementary backstroke, breaststroke, sidestroke and butterfly
Flutter and dolphin kicks on back

LEVEL V

Stroke Refinement

(Provides further coordination and refinement of strokes)

Shallow-angle dive from the side then glide and begin a front stroke
Tuck and pike surface dives, submerge completely
Front flip turn and backstroke flip turn while swimming
Front and back crawl, elementary backstroke, breaststroke, sidestroke and butterfly
Sculling

LEVEL VI

Swimming and Skill Proficiency

Refines the strokes so participants swim them with ease, efficiency, power and smoothness over greater distances. Level 6 is designed with "menu" options that focus on preparing participants for more advanced courses, including the Water Safety Instructor, or other aquatic activities, such as competitive swimming or diving

Options include:

- Fitness Swimmer
- Personal Water Safety
- Fundamentals of Diving

Students need to register for the grade level completed during the 2016-2017 school year.
