

321 SCHOOL CALENDAR

The school calendar for the School District of Wisconsin Rapids shall be established by the Board in negotiations with the Wisconsin Rapids Education Association (WREA) and in accordance with guidelines outlined in the current employee agreement.

The Board encourages and supports reasonable efforts to have the schedule and calendar organized to promote the greatest possible flexibility and effectiveness for the District's instructional program and consistent with the District's mission statement.

The schedule should be organized to promote maximum coordination with other schools, including colleges, in the area. The Board also expects that the internal organization of the program will provide the best possible articulation among the various unit levels in the system.

The Board shall periodically direct the administration to review the organization plans and schedules as often as necessary and feasible.

Consistent with Department of Public Instruction regulations, the Board shall schedule at least 180 days of classroom instruction annually. A maximum of five days may be counted to meet this requirement if they are used for parent conferences or if school is closed by the school district administrator because of inclement weather.
