

## **731 BUILDING SECURITY**

Buildings constitute the greatest investment of the school district and it is important to adequately protect the District's investment. Security shall encompass the maintenance of equipment, elimination of fire hazards, and protection from theft and vandalism.

Building security is the responsibility of all District employees.

### **Key Distribution**

Each building principal will have complete charge of all keys for his/her building. Keys shall be issued to employees in accordance with established procedures.

CROSS REF.:               731-Rule, Key Control Procedures

APPROVED IN PART:   November 11, 1974

REVISED:                 June 17, 2002
