

Fall 2016 Season Registration

Fall Game Dates: Sept. 3, 10, 24, Oct. 8 & 15

As an exclusive volunteer organization, we are fully dedicated to teaching children the fundamentals of soccer in an enjoyable, noncompetitive approach.

Practices tend to be held once per week with games on Saturdays. Teams are organized by age and ability ratings; allowing for teams to be properly balanced. As an effort to alleviate the pressures of competition, team standings are not recorded.
