

Spring 2017 Season Registration

Spring Game Dates: April 22, 29, May 6, 13 & 20

As an exclusive volunteer organization, we are fully dedicated to teaching children the fundamentals of soccer in an enjoyable, noncompetitive approach.

*Practices tend to be held once per week with games on Saturdays.
Teams are organized by age & ability ratings; allowing for teams to be properly balanced.
As an effort to alleviate the pressures of competition, team standings are not recorded.*
