

Academic Eligibility (Updated Fall of 2010 for WRPS Activities Code)

9th Grade – 12th grade participants in WRPS Co-Curricular programs should be continually striving to achieve their full potential in areas of academic performance and academic attendance. In order to participate in competitions and public events, each participant/student-athlete must maintain acceptable academic standards.

- Eligibility requirements shall commence upon initial enrollment in the first co-curricular activity
- A student must satisfy WRPS and DPI requirements defining a full time student
- Semester One Junior High and LHS: Each 9th grade – 12th grade co-curricular participant receiving two F's in Progress Report #1 (6 weeks), Progress Report #2 (12 weeks) or the formal evaluation period of the First Semester shall be deemed ineligible for participation in competition and public events.
 - Ineligibility Periods:
 - Progress Report #1(6 weeks) – Beginning the second day after all grades are posted, individuals with 2 or more F's are ineligible for 5 formal school days. On the 4th day a Student Eligibility Form (SEF) must be taken to teachers to chart updated academic progress. If the SEF shows no more than 1 F an individual is eligible beginning the 6th day. If grades show 2 F's or more, an individual remains ineligible for another 5 formal school days and then can take the SEF to teachers. This pattern continues until no more than 1 F is identified on the SEF. (The SEF may only be given to teachers once per week.)
 - Progress Report #2 (12 weeks) – Same 2 F rule but students will be ineligible for 10 formal school days beginning the second day after grades are posted. On the 9th day a Student Eligibility Form may be taken to teachers. If no more than 1 F is reported, eligibility is granted on the 11th day. If not, 5 more days must pass before the once-weekly SEF may be passed again to teachers.
 - First Semester – The process is similar to Progress Reports but individuals with 2 or more F's are ineligible for 15 formal school days beginning the second day after the posting of First Semester grades. On the 14th day individuals may take the SEF to teachers. Eligibility may be granted beginning the 16th day. If 2 F's remain, the once weekly pattern of an SEF to teachers will continue until a maximum of 1 F is listed.
- Semester Two Junior High and LHS: Each 9th grade – 12th grade co-curricular participant receiving two F's in Progress Report #3 (24 weeks), Progress Report #4 (30 weeks) and the formal evaluation period of the Second Semester shall be deemed ineligible for participation in competition and public events.
 - Ineligibility Periods:
 - Progress Report #3(24 weeks) – Beginning the second day after all grades are posted, individuals with 2 or more F's are ineligible for 5 formal school days. On the 4th day a Student Eligibility Form

(SEF) must be taken to teachers to chart updated academic progress. If the SEF shows no more than 1 F an individual is eligible beginning the 6th day. If grades show 2 F's or more, an individual remains ineligible for another 5 formal school days and once again can take the SEF to teachers. This pattern continues until no more than 1 F is identified on the SEF. (The SEF may only be given to teachers once per week.)

- ***Progress Report #4 (30 weeks)*** – Same 2 F rule but students will be ineligible for 10 formal school days beginning on the second day after grades are posted. On the 9th day a SEF may be taken to teachers. If no more than 1 F is reported then eligibility is granted; if not, 5 more days must pass before the once-weekly SEF may be passed again to teachers.
- ***Second Semester*** – **Individuals with 2 or more F's are ineligible for 21 calendar days beginning the first day of their respective Fall sport's first official day of practice. On the 19th day individuals may take the SEF to teachers. Eligibility may be granted beginning the 22nd day or, if 2 F's remain, the once weekly pattern of an SEF to teachers will continue until a maximum of 1 F or less is listed.**
