

OPEN ENROLLMENT

The open enrollment program allows parents to apply for their children to attend school districts other than the one in which they live. Parents need to understand that the open enrollment application period is very specific in terms of when you may apply. ***Late applications will not be accepted for any reason.***

The open enrollment application period for the 2010-11 school year is from February 1-19, 2010. Please [click here](#) to read more about the open enrollment process, and how to apply. Students who are currently attending WRPS under open enrollment do not need to reapply.

Students who are attending on a tuition waiver, or additional tuition year waiver, and wish to continue attending WRPS for the 2010-11 school year, must apply for open enrollment.
