

Family Fun Night

Tuesdays at 6:30 p.m.

McMillan Library's Fine Arts

January 12th - Bob Kann

Bob uses storytelling, magic, juggling and audience participation as vehicles for building community by making families laugh and play together.

February 9th - David Landau

Dave's shows are educational, upbeat musical programs that involve children as active participants.

March 8th - Doug the Jug

Doug the Jug performs a humorous juggling extravaganza for children and adults of all

ages. Whether juggling kitchen utensils, five colorful rings, or three small children, you never know what astonishing feat he will attempt next!

April 12th - Tom Pease

Tom has an infectious sense of fun and community building. With movement, sign language, humor, and joy, he creates concerts that leave audiences laughing and singing.

May 10th-The Magic of Jeff McMullen

Jeff is a former Ringing Brothers clown who specializes in FUN! Jeff infuses his illusions with plenty of comedy and audience participation.

Family Game Night

The Library will provide games to play OR bring your own game to share!

Family Game Night will take place from

6:30 - 8:00 p.m. on

*January 5, February 2, March 1,
April 5, & May 3*

LEGO Club

LEGO Club is for anyone in elementary school who likes to create with LEGO bricks. The club will meet from 6:30 - 7:30 p.m. The Library will provide LEGO bricks and a snack for participants.

**January 19, February 16,
March 15, April 19th, &
May 17th**

Printing Press Crafts

Thursday, January 21st

1:30-3:00 p.m. (no school for WRPS)

We will have a printing press and the materials needed to make basic prints. You provide the creativity!

HEXBUG Obstacle Course

Tuesday, January 26

6:30 p.m. All Purpose Room

HEXBUG Nanos are micro robotic creatures that are lots of fun! Come build an obstacle course for the bugs out of everyday items.

Star Gazing

Tuesday, February 23rd

6:30-8:00 p.m.

UWSP Astronomy student, Alex Mitchell, will be here to help you learn about space. If the sky is clear, we will be outside looking through binoculars and telescopes. Dress appropriately! If the evening is cloudy, we will be inside learning about space.

This program is for children 8 years and older.

Science of Candy

Friday, March 4

1:30 - 3:00 p.m.

(no school for WRPS)

Candy is yummy! You can also use candy to learn about science. All materials will be provided.

Movie Party

Tuesday, March 22

6:30 p.m. in the Library's

All Purpose Room

Watch a movie, do some crafts, have a snack!

Hand Sewing Basics

Tuesday, March 29

6:30 p.m. All Purpose Room

Learn the basics of hand sewing, concluding with a small project. All materials will be provided. This program is for those in 2nd through 5th grades only, please.

Earth Day Party

Tuesday, April 26 - 6:30 p.m.

All Purpose Room

A variety of projects and information about helping our planet stay healthy for the future.

Randy Korb "The Frog Guy"

Tuesday, May 24 - 6:30 p.m.

All Purpose Room

Experience amphibians during Randy's engaging, fun, and educational presentation.

Kids may hold and feed a variety of amphibians, learn about the amphibian life cycle, frog calls, habitats, & more!

Art "On the Move"

Tuesday, May 31 - 6:30 p.m. in the
Library's Children's Garden

Explore the world of art in a slightly different way. Make a pendulum painting, spin art, and channel your inner Jackson Pollock (look him up if you're not familiar)! This program is for those in 2nd through 5th grades only, please.
