No eating, drinking or sale of food to be consumed on the premises will be allowed. The enforcement of this rule is the responsibility of the lessee.
3. Only the room(s) or area specified above may be used by the lessee. Unauthorized entrance into other areas of the building is prohibited. It is the responsibility of the lessee to keep their group participants from wandering throughout the building.
4. Individual cases may call for a key to be checked out for access to the building. This may be accomplished through the building office.
5. The Board of Education or any representative thereof, or the School Superintendent, shall have the right to enter and inspect said facility at any time during the progress of any activity held therein and require compliance with these rules and impose any rule that may be necessary for the safety of the audience therein, which requirements shall be immediately complied with by those using the facility.

The Board of Education reserves the right to compel a showing of a financial responsibility or a policy of liability insurance for any given amount as it deems is advisable as a condition precedent to the leasing of this facility.
