

Building Construction Class Open House Scheduled

The Lincoln High School Building Construction class invites you to tour a home they have been working hard to build during the 2016-17 school year. The students would like to showcase the accomplishments and craftsmanship that they have invested in this house. We are very proud of their efforts!

The open house tour will take place on Tuesday, May 30, 2017 from 5:00 to 7:00 p.m. Please join these young carpenters along with Lincoln Technology and Engineering Education Instructor, Terry Bores, at the construction site located in the 5200 block of Whitrock Avenue.

DIRECTIONS:

Take the Riverview Expressway east to Highway W. Continue East on Highway W/Kellner Road to 48th Street South. Turn South on 48th Street to Whitrock Avenue. Turn East on Whitrock Avenue. The house is located on the South side of the road, with a long driveway directly opposite the fire marker for 5231. The East corner of the garage is visible at the end of the driveway.

Questions may be directed to Terry Bores at terry.bores@wrps.net. We hope to see you there!
