Please Note: It is very important that you attempt to register your child during the above dates and times. **We will not be able to guarantee classes and sessions if you register after March 10, 2017.** Vesper and THINK Academy students can turn in their completed and signed registration cards to their building secretaries.

Registration cards, along with directions for their completion, are included in each booklet. Every student must have a completed registration card, signed by a parent or guardian, in order to register for classes. We ask that the parent register their child for three courses for each session. This will ensure that your child signs up for classes that will have enough students registered to hold that class.

Busing will be provided to those students living outside of the Woodside/Washington attendance areas (who are not currently bussed to school) and if the student is registered for two classes during a single session.

The 2017 WRPS Elementary Summer School Program will be held at Woodside (Grades KG-2) and Washington Elementary Schools (Grades 3-5). Each student has the opportunity to participate in four exciting courses during the summer program, two each session, unless otherwise noted in the booklet.

We hope that you will consider your child's participation in the 2017 WRPS Elementary Summer School Program. It is a great way to spend time in a fun learning environment during the morning hours! If you have questions about the program, please contact Ms. Anderson, Elementary Summer School Secretary, at 715-424-6793, ext. 2800 (e-mail: machelle.anderson@wrps.net) or Mr. Bruns, Summer School Principal, at 715-424-6766 (e-mail: tim.bruns@wrps.net).
