Mission Statement

Working together with home and community, we are dedicated to providing the best education for every student, enabling each to be a thoughtful, responsible contributor to a changing world.

Beliefs

We Believe...*each student is the first consideration of the educational process.*

We Believe...*all students can learn.*

We Believe...*learning is a life-long process.*

We Believe...*in a safe, caring, and respectful learning environment.*

We Believe...*all students should become effective citizens of the community, state, nation, and the world.*

We Believe...*meaningful home, school, and community involvement is vital to continuous improvement.*

A Message To Interested Stakeholders

The WRPS Board of Education approved the *District Strategic Plan* on December 11, 2011. The plan was developed and designed with an understanding that the educational environment is rapidly changing. In order to continue meeting the needs of our diverse learners and prepare them to compete and reach their full potential in an evolving, global economy, the District's strategic planning document will be a "living, working document." The Strategic Plan was updated and approved by the Board on March 10, 2014.

The Board of Education plans to continue to review the Strategic Plan annually in order to analyze progress made, and make changes that will help our district continue to make forward progress for student success.

Thank you for your time and interest in learning more about how we intend to continue moving WRPS forward as a progressive district that meets the needs of our students, preparing them for their future!
