

## **DISTRICT SEEKS COMMUNITY INPUT ON TECHNOLOGY PLANNING**

The District has been researching best practices and trends for using technology to enhance learning. A common focus among schools at the local, state, and national levels include creating learning environments that will better prepare our students for the 21st Century. In an effort to collect community and parental input relative to technology planning, an online survey has been developed. We hope you will consider taking the survey. The survey can be found online through the [www.wrps.org](http://www.wrps.org) homepage, or you may choose to access it directly by entering the following URL into your preferred Internet browser: <http://goo.gl/fONm4>

Any computer with Internet access should be able to participate in the survey. If you do not have computer access, we invite you to come to Lincoln High School during an open computer lab to participate. The schedule and location information is listed below:

**Lincoln High School Computer Lab**  
1801 16th St. S. – Wisconsin Rapids

**Mondays and Wednesdays**  
5:00 p.m. – 7:00 p.m.

**No sign-up required — please just attend!**

Your input is valued, and we sincerely appreciate you taking the time to share your thoughts with us. The deadline to complete the survey is **Sunday, June 24<sup>th</sup>**. Questions may be directed to the WRPS Technology Department at 715-424-6715.
