

830 USE OF SCHOOL FACILITIES

Community Relations

The Board of Education recognizes that the school facilities belong to the residents of the Wisconsin Rapids School District. Therefore, the Board encourages the use of school facilities by local (school district) non-profit and patriotic organizations for intellectual, social, and civic purposes within legal limitations.

Requests for use of facilities may originate with groups including, but not limited to non-profit or civic organizations, school district residents, or businesses located within the school district. Political, partisan, or religious meetings and activities may be permitted only upon specific approval of the Board of Education or designee.

School facilities shall not be used for non-school organizations at any time that will interfere with the curricular or co-curricular program of the school. The right to authorize the use of school facilities shall be retained by the Board and/or Superintendent through their designated coordinator.

Authorization for use of school facilities shall not be considered as an endorsement of or approval of the activity group or organization nor the purpose they represent.

All applications for use of school buildings and facilities by organizations and individuals outside of school must be made in writing or on-line (www.wrps.org) to the Superintendent of Schools or designee. The application must state the time, give the purpose of the use and describe the activity.

The applicant shall assume responsibility for, and compensate for, any damages done to the building, equipment, or property during the period of usage; Lessee shall indemnify and save harmless the School District of Wisconsin Rapids (lessor) from and against any and all loss, cost (including attorney's fees), damages, expenses and liability (including statutory and liability under workmen's compensation laws) in connection with claims for damages as a result of injury or death of any person or property damage to any property sustained by lessee, its employees, and all other persons, which arise from or in any manner grow out of an act of neglect on or resulting from the use of lessor's facilities and equipment by lessee, lessee's agents, employees, and invitees, or any other person during the rental agreement. The Board of Education reserves the right to compel a showing of financial responsibility or a policy of liability insurance for any given amount as it deems is advisable as a condition precedent to the leasing of the facility. A Certificate of Insurance in the amount of \$1,000,000 general liability coverage, and \$100,000 property damage coverage, naming the School District of Wisconsin Rapids as additional insured may be required from the lessee. The cost of the insurance is to be paid by the lessee.

The State of Wisconsin and consequently the Board of Regents of the University of Wisconsin Systems as an agency of the State is self-funded for liability (both public and property) under State Statutes §16.865, §20.865, §895.46(1), §893.82, and §895.46. Such protection as is afforded is applicable to officers, employees, and agents while acting within the scope of their employment. Since this is a statutory indemnification, there is no liability policy as such that can extend protection to any others.

A minimum charge shall be made for all non-school use of school facilities and equipment to cover actual cost of operation. Operating expenses shall include heat, light, and loss or damage of school property and

equipment. Charges including, but not limited to, lifeguard, custodial, maintenance, food service, and technology personnel will be billed at the completion of the event. Estimates are available upon request.

The lessee may be required to deposit a check to cover the estimated operating expenses. Operating expenses in excess of said deposit will be determined and shall be paid by the group or persons using the facility.

Applicant must provide sufficient supervisors, chaperones, or crowd control personnel to satisfy the administration that the event will be controlled.

The Board of Education, Superintendent, or any representative thereof, shall have the right to enter and inspect the facility at any time in which the building is being used and require compliance with the regulations and to impose any rule that may be necessary for the safety of such building and occupants therein. Applicant shall comply immediately with such request.

Pianos or other school furniture and/or equipment shall not be moved from other rooms and buildings to the place of the event without the consent of the Superintendent or designee.

The Board of Education reserves the right to utilize a space in fieldhouse areas to store chairs, chair trucks, band/choral risers, gym equipment, gym mats, and wrestling mats or other equipment.

During school days, the stage and/or gym areas shall be free from apparatus and materials used by persons renting the same and regular school apparatus left in its proper place during school hours.

Pre-approval for sale and/or consumption of food and beverages on the premises is necessary, and will only be allowed in designated areas. District clubs and/or organizations shall have first opportunity or right of refusal in providing concessions. The District reserves the right to determine the need for food service personnel for any event.

Parking for vehicles in loading/unloading areas is limited and must be coordinated prior to the event. No vehicle may stay in the loading/unloading area unattended. ALL vehicles must use designated parking areas.

If the user wishes to charge for use of WRPS parking lots, permission must be obtained in advance. Fifty percent of the parking revenue will be paid to the WRPS.

State law prohibits the use of tobacco products and alcoholic beverages in school facilities or on school grounds. Special officers may be provided by the Board and shall be paid for by the organization or person using the facility to see that this rule is strictly enforced. No individual shall possess or use a dangerous weapon in school buildings, on school premises, in a District-owned vehicle or at any school-sponsored function or event. A dangerous weapon is defined as a firearm (loaded or unloaded), knife, razor, martial arts device, explosive device, metal knuckle, or any other object, which is used or intended to be used to inflict bodily harm.

Any events scheduled during a period in which the building is unoccupied, will require the presence of a custodian whose wages and benefits will be paid by the applicant. Exception to this requirement may be granted at the discretion of the Superintendent or designee.
