

# FOOD SERVICES - 'A LA CARTE SERVICE – 2017-2018

Please complete the required information when 'a la carte supplies are requested from Food Services. **AN ACCOUNT NUMBER OR METHOD OF PAYMENT IS REQUIRED WITH YOUR REQUEST FOR SERVICES.**

Several days advance notice is necessary for large orders requiring baking or special preparation. Smaller requests can usually be filled with several-hours' notice; but a 24-hour lead-time is recommended and very helpful to the Food Services staff.

Please return the completed form directly to the Food Services Head Cook. If you have a special request, or need supplies transported to another building, please contact Lizzie Severson to make arrangements (424-6703).
