

Busing Pick-up / Drop-off Information

Parents can find bus pick-up and drop-off routing information on-line through their [Family Access](#) account. If you go into the Family Access system (where you did Online Enrollment Verification), you will find a tab in the left panel named "Student Info" - click on that, and then near the middle of the page, you click on "View Bus Schedule." This is where you will find the route pick-up / drop-off information for your student. A Skylert information message for parents gets sent prior to the beginning of the school year to advise them to check the Family Access system for busing information.

Parents without an email address on file receive busing information in the U.S. Mail.

If you still have questions about transportation after viewing the Family Access "Bus Schedule" tab, please contact Jody Gruber at [715-424-6704](tel:715-424-6704) or by email at jody.gruber@wrps.net.

Thank you!
