

LINK CREW HELPS IN TRANSITION FOR FRESHMEN

Link Crew is a high school transition program that welcomes freshmen and makes them feel comfortable throughout the first year of their high school experience. Built on the belief that students can help students succeed, Link Crew members from the junior and senior high school class trained this summer to become Link Crew Leaders. As positive role models, motivators, and mentors, Link Crew Leaders led over 330 freshmen at the orientation held at Lincoln High School in late August. Link Crew Leaders will continue to guide the freshmen throughout the school year to discover what it takes to be successful during their transition to LHS. They will also provide freshmen with support and guidance through various challenges that moving on to the high school level poses, and also help with the transition to a larger school. Link Crew Leaders will continue training through Raider Pride Time.
