

CHILD CARE SURVEY

Wisconsin Rapids Public Schools transports kindergarten students who are eligible for busing to and from licensed or certified day care centers if they are a reasonable distance from existing bus routes and within the child's school attendance area. We need to identify students who attend licensed or certified day care centers to assist us in developing appropriate bus routes.

Please fill out the bottom of this form if you are interested in transportation to/from your child's licensed or certified day care center. If you have questions about this form, please contact Jody Gruber at 715-424-6704.
