

## **East Jr. High Student Talents Showcased**

Congratulations to Allisen Braun for being one of six artists in the state to win a Wisconsin Art Education Association award in the State Capitol show held in March.

The “Youth Art Month” state show is held to celebrate the visual arts for grades K - 12. This program emphasizes the value of art education for all students. In January and February there are six regional shows held throughout Wisconsin where teachers send up to five of their students’ best pieces to be put on display. From there, three works from each school are then selected to move on to the State show. Artwork was on display at the State Capitol from February 27th - March 11th.

Warm congratulations also go out to MyKenna Primeau, Jayda O’Day, Kaylee Olson, and Abby DeRoche. Their pieces were also a part of the regional show in Wausau as they represented East Jr. High. Jayda O’Day and Abby DeRoche’s work went on to be displayed in the Capitol show. Great work, artists!!!
