

Soccer Field Dedication

September brought a community celebration to our Washington soccer fields! Wisconsin Rapids Area Soccer celebrated the completion of the soccer complex expansion project. Benefactors of Wisconsin Rapids Soccer over its' history were recognized and will be part of the "Hall of Service/Fame," noted on a bronze plaque that will be displayed at the fields.

A special thank you was given to the Mead Witter Foundation for the significant contributions they have made which, in today's dollars, would equal over \$300,000 in donations to make the complex what it is for all players to enjoy.

The fields are used by Wisconsin Rapids Recreational Soccer, Rapids Kickers Competitive Soccer, and the Wisconsin Rapids School District Soccer teams.
