

Heart of Wisconsin Parent Bus Tour

Parent Tour

Tour the Heart of Wisconsin area businesses and discover the opportunities ahead for your students future.

**Parents are invited to attend the Heart of Wisconsin Summer Parent Bus Tour!
Wednesday, July 11th**

This parent bus tour is not only to learn yourself but to create awareness and educate your children on available educational and workforce job opportunities within various industries right here in Central Wisconsin. This bus tour will make a few stops at local area community businesses including Mid-State Technical College. The intent is to highlight the many opportunities within our community to parents so you can take a more active role in your child/children's educational experience. When parents play a more active role in a child's education, children perform better academically, have fewer discipline problems, and become more responsible adults. We hope parents will take this opportunity to become more familiar with our community and attend this one-day tour. This is a Parent Bus Tour (no children) separate from the student bus tours that are scheduled. We encourage parents to get involved. If you are interested and or know someone who may be interested, please complete this form and return to Kerry Krambeer at the Heart of Wisconsin Chamber of Commerce.

Tour Date: Wednesday, July 11th from approximately 8:00 a.m. to 2:00 p.m.

For more information, please contact Kerry Krambeer at the Heart of Wisconsin Chamber of Commerce at heartofwi_talent@outlook.com or call 715-422-4856
